

# Coronavirus Cleaning Guidance

- **WEAR GLOVES**

Wear disposable gloves when cleaning and disinfecting surfaces. Gloves should be discarded after each cleaning.

- **FLOOR CLEANING**

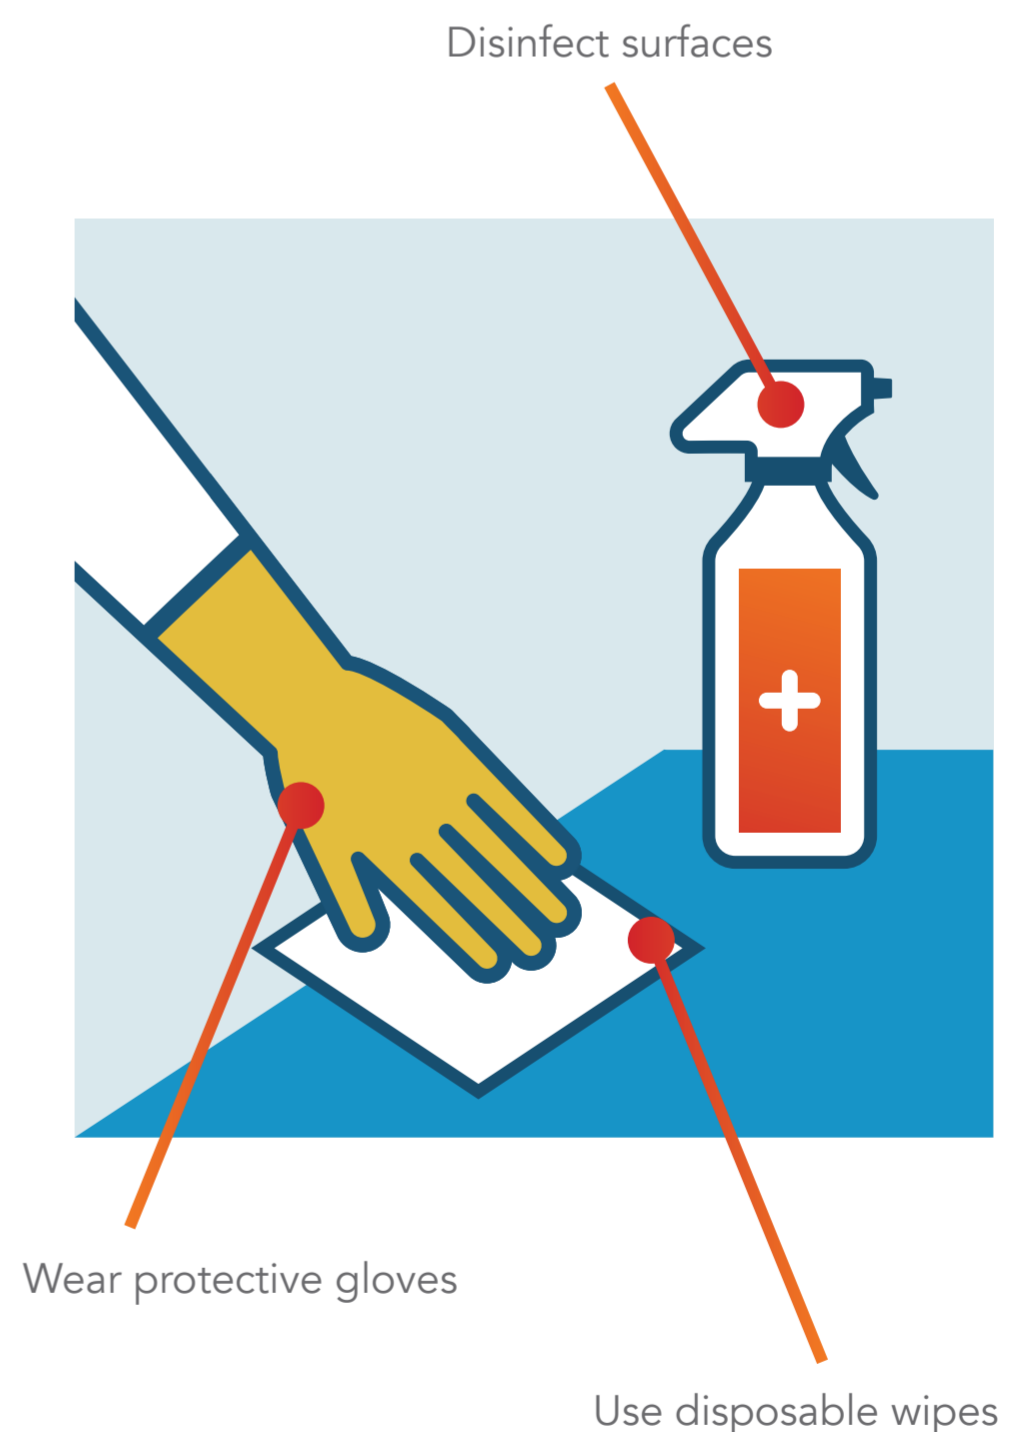

To clean the floors, use 1 cup of bleach mixed with 5 gallons of water to mop the floor.

- **DISINFECT**

Clean and disinfect frequently touched surfaces every day. This includes tables, door handles, light switches, countertops, desks, phones, keyboards, toilets, faucets, keypads, microwave controls, remote controls, sinks, cell phones, tablets, and hand tools. Use cleaning agents that are usually used in these areas and follow the directions on the label.

- **DISPOSABLE WIPES**

Disposable wipes can be used on commonly used surfaces, such as doorknobs, keyboards, remote controls, and desks), and should be wiped down by employees before each use.

If you are experiencing flu-like symptoms, please stay home.
